

Fathima Mujahed

UX/UI Designer

Passionate UX/UI designer skilled in Figma and research. Experienced in quick problem-solving, and deep insight to find holistic solutions for users. Applies ownership, expert listening, consistency, and a human-centered approach to implement and predict users' needs.

EXPERIENCE

UX/UI Designer

PropAssist

August 2022 - Present

Led workshops that improved the drop-off rate of the PropAssist app by collaborating with stakeholders to add visual elements to mid-fidelity prototypes and developed hi-fidelity designs which resulted in a boost in user engagement and reduced design debt.

Preschool Teacher

Inch By Inch Preschool

Jun 2020 - Present

Creating a learning curriculum that more effectively develops healthy learning habits specific to fostering creativity and establishing various activities for autonomous learning to accommodate varied learning styles.

UI/UX Designer

Tech2Live

May 2022 - Aug 2022

Conducted the design team with the accountability of the design system, collaborated with product and development teams on the content and features to improve product interfaces and experiences.

UX/UI Designer

wiseHer

Sep 2021 - Nov 2021

Revamped the company's website for a more intuitive user experience which received a 35% increase in booking calls and increased traffic to previously neglected pages.
